**East Village:** Has Iron Chang started banning cameras at [Ko](#)? [[eGullet](#) via [Eater](#)]

**Murray Hill/Kips Bay:** [Pamplona](#) will have its own celebration of the running of the bulls from July 7 through the 12th by offering a meaty prix fixe that ends with fried milk topped with dulce de leche ice cream. [[Grub Street](#)]

**Red Hook:** When the Grindhaus opens, according to its owner, the spot will be "a boisterous sausage parlor." To prepare for the debauchery, she's getting front-of-the-house training at [Ssäm Bar](#). [[Eater](#)]

**Union Square:** [Blue Water Grill](#) will kick off a series of live-jazz nights next Wednesday, aimed at people who don't want to stay out too late. That's the spirit. [[Zagat Buzz](#)]

**West Village:** [Stand](#) has swapped its too-tough burger bun for a soft, complementing brioche-like version. So keep that in mind if you were b-unhappy in the beginning and haven't stopped in since. [[Hamburger Today](#)]
